GUIDED MISSILE AND ASTRONAUTICS INTELLIGENCE COMMITTEE

6 January 1960

MEMORANDUM FOR: Members, Guided Missile and Astronautics Intelligence Committee

SUBJECT : Suggested Assignments for Contributions to NIE 11-60

REFERENCE : Terms of Reference NIE 11-60: "Trends in Soviet Military Policy and Capabilities Thru 1970, dated 16 November 1959.

1. Since more time is available for preparation of the GMAIC contribution than was originally anticipated, it may now be possible to fix responsibilities for specific contributions from GMAIC member services/agencies. The following represents a suggested table of such assignments believed generally to cover the areas for which GMAIC has primary responsibility. This will be discussed at the GMAIC meeting 1000, 13 January 1960.

7. SECTION II A

ICBMs - Air Force

Other offensive missiles - Army, Navy

SECTION II B

New missiles - Army, Navy, Air Force

Space vehicles - CIA and Air Force

SECTION III

CIA (ORR) and Air Force.

25X1A

*These assigned
as per minutes of
13 Jan. - Target date
of 1 Feb. set for contributions.*
